

# ACAPULCO / MEXICO CITY

**8 DAYS** (6 Meals & Ringside Seats for Cliff Divers) **\$619 PER PERSON\***

*We listened to your comments! So many of you requested more time in Acapulco that we added one more day. Note the changes in the itinerary. **Acapulco** offers one of the most spectacular views in all of Mexico. Feel a touch of romance as you watch a perfect sunset or take your sweetheart on a nostalgic buggy ride all festooned with balloons for the occasion. As night approaches, watch the surrounding hillsides light up like a Christmas tree!*

**DAY 1** - Cross into Mexico traveling through farm land and on through a ranching area on our way to Cd. Victoria as we journey to **San Luis Potosi** for our first night in our friendly country to the South. **Overnight** at the **Hotel Real Plaza** in **San Luis Potosi**.

**DAY 2** - Tour the **governor's palace**, the **cathedral** and the acoustically correct **Teatro de la Paz**. On our way to **Mexico City**, stop in downtown **Queretaro**, the opal center of Mexico. Arrive into Mexico City in the afternoon. Our hotel is right in the center of it all. Tonight you may want to visit Garibaldi Square where the mariachis congregate waiting to be hired to serenade at a sweetheart's window. **Overnight** at the **Hotel Royal** in **Mexico City**.

**DAY 3** - After an **included breakfast**, continue to Acapulco where we spend the next three nights in our beach front hotel. Palm trees divide the boulevard and balloon festooned carriages ply the streets ready to take vacationers for a buggy ride. **Overnight** at the **Hotel Emporio** in **Acapulco**. **BB**

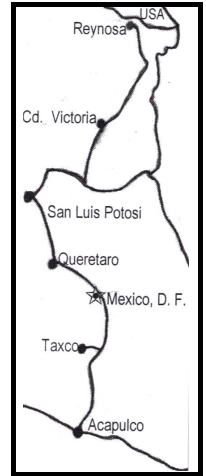

**DAY 4 - Morning tour** of the old and the new of **Acapulco** with spectacular views of the bay. This afternoon you can spend a peaceful time on the beach or browse and buy in one of the many shops lining the boulevard. Or you may elect to take an optional afternoon bay cruise. Tonight, join your fellow travelers for a visit to **Pie de la Cuesta** watching a spectacular sunset. **Overnight** at the **Hotel Emporio** in **Acapulco**. **BB**

**DAY 5** - You will have a whole day to "hang out" or perhaps go fishing. Tonight, from **included reserved ring-side seats**, thrill to the divers of **La Quebrada** as these daredevils plunge some one hundred feet into the surging waters below. When we return to the hotel, romantics may want to take a stroll on the beach or perhaps just sit on their balcony as they listen to the waves breaking on the shore. **Overnight** at **Hotel Emporio** in **Acapulco**. **BB**

**DAY 6** - Alas, it is time to leave the swaying coconut palms and the blue bay of Acapulco as we travel to **Taxco, the Silver City**. Bright, cascading bougainvilleas spill over the white stucco walls and across the red tile roofs in this town, designated as a national monument by UNESCO. Included tour of the **Santa Prisca** church, focal point of **Taxco** with plenty of time to visit the many silver shops in the downtown area. **Included lunch** gives you **more free time** to shop. Then continue to Mexico City. Optional visit tonight to the Ballet Folklorico, the history of Mexico in song and folkloric dance. Your guide can help you obtain tickets. **Overnight** at the **Hotel Royal** in **Mexico City**. **BB, L**

**DAY 7** - After an **included breakfast** visit the **Centro Historico** and the **Shrine of Guadalupe** before continuing to San Luis Potosi for our last overnight in Mexico. **DAY 8** - This final day takes you through the beautiful **Sierra Madres** into Ciudad Victoria and on to the Rio Grande Valley. You should arrive back at the border around 6:30p.m. with memories of a wonderful time on one of the famous beaches of Mexico.
