

WHOOPING CRANES

Enjoy birding at the Aransas National Wildlife Refuge. Explore the unique Texas wetlands, the back bays, reefs, and hidden islands out from **Copano Bay** as we watch for the almost extinct whooping crane at its wintering grounds, the **Aransas National Wildlife Refuge**. The fully glassed-in heated cabin (smoke free) affords comfortable inside seating for all passengers.. Bring your camera and your binoculars and spend the day at Rockport, famous the world over as a birding center. **Lunch included.**
