*The heart of Mexico - Mexico City - has it all. From the ancient past as the Aztec metropolis of Tenochtitlan; through Spanish colonial reign and into the ultra-modern thriving capital it is today. We will view all these aspects and more. This is Jo's favorite international capital - it seems to have something of everything. At our customers request, **Go...With Jo!** has included a side trip to Taxco and one night in San Miguel de Allende. The tour is programed so that those who wish may attend the Ballet Folklorico. Ask your guide to help you obtain tickets.*

**DAY 1** - Depart the Rio Grande Valley traveling through ranch land on our way to Monterrey and Saltillo to Matehuala. **Overnight at Las Palmas Midway Inn in Matehuala.**
