

MEXICO TRAVELS

In the thirty four years that we have operated tours into Mexico, we have never had a problem. Our routing is over major, well patrolled highways. All travels will be during daylight hours. Our guides and drivers are carefully screened for courtesy and safety. Mexico is a beautiful country. Join Jo as she visits our friendly neighbor to the South.

MUCHO FUN *in* MONTERREY

Monterrey, the third largest city in Mexico, lies in the Santa Catarina valley encircled by dramatic mountains including the distinctive saddle-shaped "Cerro de la Silla". This modern industrial city sports one of the world's largest plazas, the Gran Plaza, surrounded by colonial cathedrals, monumental sculptures, and ultra-modern government buildings. For those of you new to the wonders of Mexico this is a perfect get acquainted trip!

Our Monterrey city tour includes the Governor's Palace with beautiful stained glass windows and the Benito Juarez reception room, the Esplanade of Heroes and the Paseo Santa Lucia river boat with time for shopping and exploring on your own! Weather permitting, the brewery is also included.
